Note for orders

Palace Controller's

Letter no 20 dated 21st

September 1901, in re the

repairs executed to the

Sri Trineswaraswami

Temple at Mysore :—

A sum of Rs 3325

for repairing the Sri

Trineswaraswami Temple at

Mysore was sanctioned

in 1899 and a partial

allotment of Rs 1952-7-8

towards the same was assigned

from the State grant of 1898-99, with the observation that

the

Viz Rs 1372-8-4,
the balance required to
make up the full amount
of the Estimate would be
assigned during the next
Official year on receipt
of the Palace Controller's
report as to the progress
made in the execution of
the works.

Vide Govt Endo no
1153-4 dated
Aug 4th 17-97
15th April 1899.

In November 1899 the
Palace Controller solicited
sanction to the allotment of
the balance due as per Estimate
Viz Rs 1372-8-4; but in reply
he was asked to submit a
statement shewing what
items of the sanctioned works
had been already carried
out and what remained

This Office
Docket-no 624 dated
18th December 1899

to be executed. The Palace Controller accordingly sent the required statement, and also the final measurement bills amounting to Rs 3069-2-"

In reply, the late Mugrai Secretary stated in his Docket-no 1011 dated 25-th March 1901, that the ~~applaca the~~ State grant provided for the year 1900-901 having been exhausted, the application might be renewed at the Commencement of this Official year (1901-902).

The Palace Controller has accordingly renewed his

his application now and

Solicits sanction to the

allotment from the State

grant of a sum of Rs

1372-8-4. He has also

submitted a final measurement

bill for Rs 3069-2-4,

against Rs 3325 being the

sanctioned estimated

amount.

As works have been

executed to the extent of

Rs 3069-2-4 only as shown

above, this amount has to

be accepted for final payment

sanction. Deducting from

this the sum of Rs 1952-7-8

already sanctioned from

the State grant of 1898-99

ch

a sum of Rs 1116-10-4 has to be allotted now The Contractor claims only this amount and not Rs 1372-8-4 as applied for by the Palace Controller

The question is where to meet this amount from. The Government Comptroller, in his Letter no 876 dated 5th August 1901 states that a sum of Rs 730 2-14-0 was available at the credit of the Imperial Institutions under the management of the Palace Contr- on the 30th June 1901. So the

the sum of Rs 1116-10-4

due to the Contractor towards

the repairs of the Sri Ganeswara

-swami Temple may be

sanctioned either from

this amount or from the

State grant of the current

Official year.

Submitted

Rs

24/9/01

And the final

measurement bill

for Rs 3069-2-11 may be accordingly

forwarded to the Comptroller

for audit

The temple had only 600 odd
rupees which may be required
for minor unforeseen expenditures
The great portion of the
payment for the work had
defrayed from the State grant
The present claim of
Rs 1116-10-4 could also be

From

Dated 5 July 1900

Received

General No. 11
Muzrai F. No. 17-97.

Enclosure No. Ex. Nil

His letter No 89 dated 20th May 1900 requesting issue of orders for the further allotment of Rs 1872-8-4 required for the execution of the repairs sanctioned to the Sri Umeswaraswamy temple at Mysore, and reporting that the Contractor pleads inability to carry out the remainder of the works without payment for what has been executed by him

Has the honor to observe that according to the report made in his Rubkari No 473 dated 2.2nd Nov 99 and the "Measurement Statement" submitted under cover of the letter cited above, the Contractor

has carried out works to the value of Rs 2010-9-10 for which he has already received payments to the extent of Rs 1952-7-8, thus leaving a small balance of only Rs 58-2-2, which would be withheld as Reserve until the whole of the sanctioned repairs have been satisfactorily completed. In these circumstances it is not understood what payment has now to be made to the Contractor, except, perhaps, by way of advance for works to be hereafter carried out by him; and such an advance cannot be granted.

2 As regards the further allotment of Rs 1372-8-4 applied for in the letter under reply in view to meet the cost of the remaining works as per Estimate sanctioned in Govt. Pro: No. 1153-4 / Mus 717-97 of 15th April 1899, the Palace Comptr. is informed that the whole of this amount cannot be allotted in advance but as the repairs progress, Measurement Bills for works actually executed may be prepared & submitted to this Office for counter-signature and transmission to the Comptr. to Govt. for audit.
